The Member Secretary placed the claim before the SLC for discussion and deliberation. The Industrial Unit was a self financed unit and its investment was appraised by NPC, Guwahati. The status of the unit was discussed in the meeting and the Committee was informed that the unit is running smoothly.

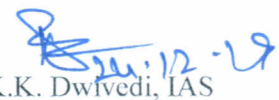

The Committee was appraised that the SLC held in 32nd meeting dtd. 28-01-15 has recommended Rs. 2,06,26,762.00 to the unit as new unit. After that the unit has undergone expansion & the claim for expansion was placed before 55th SLC meeting as large unit and SLC has recommended Rs. 2,26,40,144.00 as 30% CCIS. But after receiving clarification from DPIIT vide letter No.9(3)2019-NERS dated 18th October where it is stated that if an unit is MSME in nature prior to expansion, then the unit is eligible for grant of 30% incentive on additional investment in plant & machineries in respect of first and every subsequent substantial expansion subject to a ceiling of Rs.3.00 crore and Rs.1.50 crore for manufacturing and service sector respectively vide notification no:1(5)/2010-SPS dated 6th January 2011. Since this unit is MSME in nature prior to expansion & SLC vide 32nd meeting had recommended Rs. 2,06,26,762.00 as new unit, hence it is eligible for 30% CCIS on additional investment from the balance amount of Rs.3.00 crore i.e. Rs. 93,73,238.00 (Rs.3,00,00,000.00 - Rs. 2,06,26,762.00 = Rs.93,73,238.00) and not Rs. 2,26,40,144.00 as 30% CCIS as recommended in 55th SLC meeting held on 15th May 2019.

In the light of the above clarification, the Committee was requested to review the amount of Rs. 2,26,40,144.00 as 30% CCIS recommended in the 55th SLC meeting held on 15th May 2019.

After thread bare discussion, the Committee observed that in view of the above clarification the unit is eligible for an amount of Rs. 93,73,238.00 (Rupees Ninety three lakh seventy three thousand two hundred thirty eight) only as 30% CCIS and the Committee recommended that the amount of Rs. 2,26,40,144.00 as 30% CCIS approved in the 55th SLC meeting held on 15th May 2019 should be modified as Rs. 93,73,238.00 (Rupees Ninety three lakh seventy three thousand two hundred thirty eight) only as 30% CCIS.

The meeting then ended with vote of thanks to the chair.
