of guidelines issued by the Government of India. The Committee was also informed that Agenda note for each claim has been prepared by the office of the Commissioner, Industries & Commerce, citing details of the claim for consideration of the eligibility by the committee.

1) M/s NE RMC Ready-mix ,Garchuk, Kamrup-M.

The claim was deferred by the SLC held on 19.12.2019 and directed to confirm admissibility of the claim from DPIIT, Govt. of India The DPIIT had cleared admissibility of the claim vide Letter No.P-44027/8/2020-DBA-II/NERS Dtd.31st Sept./2020 and the claim was placed before Committee.

2) The Assam Co-operative Jute Mill, Silghat, Nagaon.

The Assam Co-operative Jute Mills Ltd. is the only composite jute industry in Co-operative sector in the state. It is a public sector Enterprise of the state Govt. and 851 Nos of employee are working .The unit had started commercial production on 17.07.1971(before expansion). The Unit was manufacturing Hessian Cloth, Gunny Bag etc. The unit had taken up expansion programme, because of decrease in market demand of the existing product, and started manufacturing laminated hessian cloth, processing through bleaching, dyeing and lamination of hessian cloth. Investment in fixed assets in the expansion project increased by 243%

The claim was placed in the 60th SLC meeting held on 10.10.2019 and was rejected by the committee on the ground that "No substantial increase in IT-Return, Production, Power, Vat etc. One year prior compared to one year after expansion."

The Unit appealed for consideration of the claim and submitted balance sheet & other relevant documents which had been scrutinized by the officers of the Commissionerate of Industries & Commerce, Assam and found that there was a marginal increase in production but turnover increased because of value addition of existing products along with other parameters like IT return & employees compared to one year prior & one year after expansion etc.(statement enclosed)
